All entries from a club shall be consolidated and submitted electronically to the Entry Manager. **ONE** electronic payment or cheque shall be made as a consolidated payment of all the entries. Download and install the SPORTSYSTEMS Entry Manager V2.0 from www.sportsys.co.uk. If you have previously installed this program ensure you check and download the latest version by using the 'Check for Updates' option. Download and save the Entry File Set from the Championships Entry page at www.eastswimming.org.uk

- For Weekend 1 this is NO18_EntryData.sef
- For Weekend 2 this is LU18_EntryData.sef

Full instructions can be found within the program under Help and a quick start video is also available on the SPORTSYSTEM website.

The only way to enter individual times is by using the 'Get Times' button ensuring the entered time satisfies the entry conditions. No other method of providing times will be accepted. Times retrieved from British Swimming (BS) rankings that do not satisfy the qualification time will be flagged with a yellow 'N' swim button. Times which satisfy the qualification time are shown with a green 'Y' swim button. Click any unrequired green 'Y' swim buttons.

Clubs entering Para-Swimmers should identify the correct S, SB & SM sport class in the drop-down boxes and leave the Disability Exception Code box blank. For an event to be entered, the swim button must be green 'Y'. Any events flagged yellow 'N' from times retrieved from BS rankings will require the swim button clicked until it changes to green 'Y' and the entry time shows 'YES'. The Entry Administrator will convert these 'YES' entry times to the times in BS Rankings, detail the times you believe meet the requirements in the e mail submitting the entry. Note: if, after saving a swimmers entry, the entry is reopened for editing, you must ensure any events entered have the swim button set to 'Y' again before saving.

Entry times for all individual events must only be taken from the British Swimming rankings on or before the closing date and shall have been achieved in meets, licensed at Level 1, 2 or 3 by the ASA, SASA or WASA, from 1 September 2017. The closing date will be four weeks before the competition. For Weekend 1 this is midday on Friday 6 April 2018 and for Weekend 2 this is midday on Friday 27 April 2018. Subsequent improved times will not be accepted. The best short course time will be populated which includes conversion of long course times to short course times using only the British Swimming Equivalent Performance tables. Split times, either intermediate distance or first leg of a relay race are not acceptable for entry.

Use the report feature to calculate the total cost of your entries. Your payment should NOT be different than this calculated amount. After completing your entries, generate the export file as described in the help section and attach to an e-mail to the Entries Manager (entriesmanager@eastswimming.org). Your e-mail will be acknowledged.

The closing date for receipt of entries and payments for Weekend 1 is midday on Friday 6 April 2018 and for Weekend 2 is midday on Friday 27 April 2018.

12. Withdrawals

12.1 *Heats and Team Events - Once an entry is accepted a competitor shall swim or give notice of withdrawal. Notice of any withdrawals shall be reported by a representative of the club to the recorder using the appropriate withdrawal form. For heats this must be one hour before the start of the event. For team events this must be before the commencement of the session warm up. Clubs may make withdrawals via email to the Entries Manager at entriesmanager@eastswimming.org providing this is before 4 pm on the Friday prior the championships*

12.2 *Finals - The names of finalists and reserves will be announced and published. Withdrawals must be made to the recorder within 15 minutes of the announcement. At the end of this period reserves may ask the recorder whether they are required for the final or can be stood down.*

12.3 *Unless notice of withdrawal has been given to the recorders within 15 minutes of the publication of the heat results, all finalists shall report to the Clerk of the Course for the final. Withdrawals after the 15 minute deadline may only be made on medical grounds.*

12.4 *All events - where a withdrawal is made after the deadlines on medical grounds the swimmer may not compete for the rest of that day.*

12.5 *Any swimmer not present when required to swim shall incur a £10 penalty, unless the recorder had been notified, prior to the race, of medical grounds that prevented the swimmer taking part. After the championships the Club, in whose name the competitor has entered the competition, will be invoiced for the fine and will have 28 days in which to make the payment. Swimmers not present will be identified from the results where “DNC” is recorded for them. If the payment is not made within the 28 days the fine will be increased to £50 per DNC and no entries will be accepted from the club for swimming events until the fine is paid.”*
